REPORT OF THE SELECTMEN

The end of 1982 saw the completion of several worthwhile projects which the town undertook, these include: the town garage, renovations and insulation of the town hall, and the Jamestown Bridge in Lochmere. We are indebted to the members of the town garage building committee who gave many hours of their time to bring this project to fruition. They include: James Dodge, Donald Joscelyn, Clement Hamilton, Wayne Manning and David Wadleigh.

Another major project, which has certainly had everyone's attention, is the installation of the sewer laterals in the downtown area. We are constantly reminded of it even now as we pass back and forth along Main Street. Hopefully, much of this work will be completed by Fall so that the streets may be put back in proper repair. The Board of Selectmen will this year be asking for money for road maintenance as part of a five year plan to rehabilitate many of the in-town streets. We recognize the poor conditions which presently exist and as soon as the sewer connections on the streets involved have been completed efforts will be made to resurface those streets which money and time will allow.

Other matters which have required the attention of the selectmen during the past year include:

1. The favorable conclusion of the long-standing Morganroth suit against the Town.
2. A continued effort on our part to provide assistance to those citizens who find themselves in need of our help. Economic times being what they are has increased the number requiring our aid.
3. Court placement of juveniles has become an increasing problem that is placing a growing burden on the town. We are, however, trying to reduce the cost to the town through those legal channels available to us.
4. We have continued to monitor the progress of the Route #3-11 Bypass and, upon advice of legal council, taken those steps which we hope will prevent its construction. We have not changed our position about the importance of continuing the fight; the more we realize the negative impact it will have, the more resolute we have become.
5. We are glad to report that the computer which we purchased is now being used to produce our payroll, make our payments and generate the financial information we are required to have. We anticipate the property and resident tax billing will be computerized before the end of this year. Many hours of time will be saved in producing reports

to the budget committee and state and federal reports which we are required to submit.

We were very saddened by the sudden passing of our fellow selectman Donald Joscelyn. We wish in some small way to express our thanks for Donald's many years of service to the town by dedicating this Town Report to his memory.

Respectfully submitted,

Lester J. Rutherford, Chairman

Maurice N. Bowler

Elizabeth A. Davis

SECOND SESSION, MARCH 13, 1982
At Winnisquam Regional High School

The second session of the 1982 Town Meeting was called to order at 10:09 a.m. by the Moderator, Mr. Michael Baker. Mr. Arthur Abbott was called upon to open the meeting with a prayer which was followed by the Pledge of Allegiance.

Mr. Baker introduced the deputy moderator, Alex MacGregor, the Selectmen, Budget Committee and the Town Clerk. A welcome was extended to members of the press, visitors, and non-voting members of our Community.

Announcements were made as to the use of the facility and instructions were given with regard to the running of the meeting.

The Town Clerk was called upon to read the minutes of the first session held at the Middle School on March 9 which was the election of officers, the adjusted elderly exemption and the School District election of officers. Motion made by Mr. Joscelyn, seconded by Mr. Lawrence that the minutes be accepted as read.

The moderator requested that the reading of the warrant in its entirety be dispensed with if there was no objection. Each article to be read as it came up.

Article No. 3 Motion made by Mr. Bowler, seconded by Mr. Rutherford that the Town vote to raise and appropriate the sum of five hundred dollars to be placed in the Recreation Council Fund. The fund to be used for the eventual construction of a community building. Motion passed unanimously.

Article No. 4 Motion made by Mr. Rutherford to see if the Town will vote to raise and appropriate the sum of \$10,780.52 to continue the services of the Tilton-Northfield-Sanbornton Youth Assistance Program. Motion seconded, no discussion, passed unanimously.

Article No. 5 Motion made by Mr. Mills, seconded by Mr. Lawrence to see if the Town will vote to raise and appropriate and authorize the withdrawal from Revenue Sharing Fund the items that are listed on page 9 of the Town Report in the amount of \$80,250. After a short discussion this motion passed unanimously.

A motion was made by Mr. Joscelyn that we take article #6 out of order, proceed to article 7 and act on article 6 after article #9. Motion seconded, passed.

Article No. 7 Motion made by Mr. Rutherford, seconded by Mr. Joscelyn that the Town vote to authorize the Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b. No discussion, motion passed with unanimous vote.

Article No. 8 Motion made by Mr. Rutherford, seconded by Mr. Bowler to see if the Town will vote to authorize the Board of Selectmen to accept donations, gifts of property, including real property that might become available prior to next Town Meeting. No discussion, motion passed with unanimous vote.

Article No. 9 Motion made by Mrs. Betty Davis that Town vote to accept the Budget submitted by Budget Committee which amounts to \$764,768.13. Motion seconded by Mr. Mills. At this time the meeting was turned over to Mrs. Davis for review of budget. Mr. Bowler made a motion to amend figure to increase Town Officers expenses by \$1,020, motion seconded. He then gave an explanation for this increase. Upon recommendation of the auditors the office copy machine fund for the Police Dept. was to be turned over to Selectmen's office for administration. After discussion and comments from Budget Committee, voters and Police Chief the amendment was voted on. It was also decided to increase the revenues under Income from Departments by \$1,020 as found on p. 14 of the Town Report. This amendment passed. Question was raised under General Government Buildings why there was a figure of \$1,710 which was not recommended by Budget Committee. It was explained that \$110 was a difference in price quoted for carpet cleaning in Town Hall, the \$1,600 was to be for securing the area in the Town Office used by the Tax Collector and Town Clerk. Mr. Joscelyn made a motion to amend the budget to include the figure of \$1,710. After a lengthy discussion on the two items in question, the amendment was defeated. Mr. Gengras then made a motion to increase the budget by \$1,600 for the securing of the town office, seconded by Mr. Rutherford. After another lengthy discussion this amendment was passed.

Mr. Asciolla made a motion to amend the budget under Planning and Zoning to decrease this amount by \$2,200 to exclude membership in the Lakes Region Planning Commission. After discussion on all the expenses in this category the motion to amend was defeated. Under the Police Dept. budget the Chief asked to have someone make an amendment to increase budget by \$200 for radio maintenance. Mr. Asciolla then made an amendment to this effect, the motion was seconded, passed unanimously. Mr. Rutherford made a motion to amend budget under General Highway Department expenses to increase by \$7,500, seconded by Mr. Joscelyn. Mr. Wadleigh was asked to speak regarding this increase. Because of the long and hard winter the snow removal account has already been overexpended which would leave no money for the fall-winter months. After some discussion this amendment passed with unanimous vote. There were comments and questions on various budget categories and a few recommendations. The final amendment passed with unanimous vote. There were comments and questions on various budget categories and a few recommendations. The final amended budget figure to be voted on was \$775,088.13, this figure passed by unanimous vote.

At this time a motion was made by Mr. Bowler and seconded that the meeting be recessed to 1:15 p.m.

At 1:20 p.m. the meeting was again called to order.

Article No. 6 A Motion was made by Mr. Joscelyn and seconded by Mr. Rutherford that the Town vote to authorize the Selectmen to borrow the sum of ninety thousand dollars to pay for the construction of a new Town Highway Garage to be located on Town owned land. The money to be secured by long term notes. At this time Mr. James Dodge came forward to explain the results that were arrived at by the committee that was authorized at the 1981 Town Meeting. This committee comprised of Don Joscelyn, Dave Wadleigh, Wayne Manning, Clement Hamilton and Jim Dodge. Committee members came before body to answer any questions from the floor. The building in question is to be 60 feet deep, 80 feet long with four 16x16 doors, pitched roof, wood frame, metal siding, insulated, heating not determined at this point of time. Many questions came from the floor with regard to the financing of this building, the site, the possibilities of using existing buildings especially the fire house. Mr. Randall was recognized and he stated that he had a petition calling for a ballot vote. Since this was a long term note issue that vote had to pass by a 2/3 majority. The final tally of votes: 51 yes, 17 no. Motion passed.

Article No. 10 Motion made by George Daniels to see if Town would vote to create a Study committee to examine the feasibility of combined Tilton-Northfield Police Department, motion seconded. Clarification noted by Mrs. Davis that this did not come by way of recommendation by Budget Committee as stated in Town Report. The Budget Committee was asked to see if the Selectmen would include this article in the warrant which was done. Mr. Montambeault made a motion that the composition of the committee as stated in warrant article be changed to two citizens and delete the Tilton Police Chief, seconded. He then explained his reason for amendment. A lengthy discussion followed with amendment being defeated. Mrs. Davis made a motion to table article. This would need a 2/3 vote to table. The vote: 13 yes to table, 42 no. Motion to table defeated. Vote on original motion passed.

Article No. 11 Motion made by Mr. Bowler, seconded, that the Town vote to authorize the Board of Selectmen to abandon and remove the Grey Rocks Bridge over the Winnepesaukee River, located at the lower end of Church Street in Lochmere section of Tilton. Discussion followed, motion passed.

Article No. 12 Motion made by Mr. Joscelyn, seconded by Mr. Rutherford that the Town authorize the Selectmen to dispose of the Acme Machine Dam. Discussion held on location of this dam and what the selectmen planned to do if motion was passed. Mr. Joscelyn stated that they had a person who was interested in using dam for hydro. Wayne Manning made a motion to amend article to read at public auction, seconded by Dennis Manning. Discus-

sion on reason for this amendment. An amendment was then proposed changing at public auction to by advertised sealed bids. Mr. Manning agreed to this change. The vote on the amendment adding the words by advertised sealed bids was passed. Vote on the article as amended passed unanimously.

Article No. 13 Motion by Mr. Rutherford, seconded by Mr. Joscelyn to see if Town will authorize the Selectmen to convey property acquired by the Town by Tax Collector's Deed by public auction or advertised sealed bid or in any other such manner as determined by the Selectmen as justice may require. After brief discussion the motion passed with unanimous vote.

Article No. 14 Motion made by Mr. Bowler, seconded by Mr. Joscelyn that the Town vote to authorize the Selectmen to request bids from an authorized firm to conduct an annual audit of the Town Books. Motion passed unanimously.

Article No. 15 A motion was made by Mr. Joscelyn, seconded by Mr. Rutherford that a discount be allowed on early paid taxes: Two percent on each bill if paid within thirty days of billing date. Motion passed.

Article No. 16 Motion made by Mr. Rutherford, seconded that Selectmen be authorized to borrow money in anticipation of taxes. Motion passed unanimously.

Article No. 17 Motion made by Mr. MacGregor to accept reports as printed in the Town Report, seconded. Mr. Bowler asked if a report was forthcoming from the Committee on Solid Waste Disposal. At this time Mr. Feener came before the body present and gave a report. This is recorded as a separate report with the minutes. Mr. Randall asked that a correction be recorded on page 42 under C.D. No. 2890. The amount should be \$100,000 not \$10,000 as printed. Motion with corrections and additions included passed by unanimous vote.

At this time Mr. Bowler presented Mr. Ron Mills with a thank you letter from the Board of Selectmen for his time and efforts as a member of Budget Committee. A copy of this letter is recorded with these minutes.

Article No. 18 Motion made by Mr. Bowler, seconded by Mr. Rutherford to pass over this article as there were no officers or agents to be chosen at this time. Motion passed unanimously.

Article No. 19 Mr. Bowler presented Mr. Elmo Svenson with an engraved plaque for his many years as Supervisor of the Checklist and thanked him for many years of civic involvement. Mr. Svenson was given a standing ovation.

A motion was made by Mr. Rutherford and seconded that the meeting be adjourned. Motion passed. Meeting declared closed at 3:20 p.m.

AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Tilton
Tilton, New Hampshire

We have examined the combined financial statements and the combining, individual fund and account group financial statements of the Town of Tilton, New Hampshire as of and for the year ended December 31, 1981, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the combined financial statements and the combining, individual fund and account group financial statements referred to above present fairly the financial position of the Town of Tilton, New Hampshire at December 31, 1981, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining, individual fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Tilton, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined, combining, individual fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

REPORT OF THE TILTON – NORTHFIELD POLICE STUDY COMMITTEE

At the 1982 town meetings of Tilton and Northfield, it was voted by both towns to form a committee to study the feasibility of combining the police departments of Tilton and Northfield into one unit. The members of the committee were to consist of the town's two chiefs of police, and from each town, a budget committee member, a selectman and a member at large.

I. Budget and Personnel:

The committee began its study by determining that the proposed combined police force would consist of the following personnel: one chief, one lieutenant, two sergeants, one corporal, six patrolmen and two clerk/dispatchers.* The one year operating budget of this police department was determined to be \$333,160.92 (based on 1983 costs). It would include all expenses related to the operation of the department: salaries (including overtime), equipment, (including three cruisers), maintenance, fuel, training, uniforms, insurance, office supplies and expenses, retirement, and dues. The department would provide twenty-four (24) hour coverage in both towns (not presently provided in Northfield) plus an additional forty (40) hours of "walk in" service per week, and one full time detective. Two cruisers would be in operation twenty-four (24) hours a day with the third one as a back up during peak periods. Double personnel would be available for peak hours.

II. Method of Organization and Control:

A. Village District (RSA 52:1)—A Village District could be established similar to the existing school and fire districts. The district would establish boundaries and elect commissioners. At annual meetings a majority of voters present would vote to approve the operating budget. The costs would then be billed to each member town. This type of organization gives control over the police department to the district's elected commissioners and officers and removes the control from the selectmen of each town.

B. Cooperative District—The two towns could agree to combine the police force by special charter. This organization could also be presided over by commissioners. The operating budget would be submitted to each town through the town's budget committees and voted at the regular annual town meetings.

C. Single District—One of the two towns could take over responsibility for rendering police services and contract out to the participating town. The voters of the single district town have complete control over operations and budget.

D. Others—The towns could request legislation from the New Hampshire Legislature allowing the towns to organize in a manner not previously mentioned. The town could also consider a joint department of safety, combining police, fire and rescue.

* It is noted that the number of personnel proposed is the same number presently employed by both towns.

Tilton — Northfield Police Study, Continued

III. Apportionment of Costs:

The following methods of apportioning costs to the town were considered based on a proposed annual operating budget of approximately \$333,000.00:

A. 50/50 split:

Tilton	\$166,500.00
Northfield	\$166,500.00

B. Population:

	Tilton	Northfield
Population	3,388	3,052
Percentage	52.6%	47.4%
Cost Apportionment	\$175,158.00	\$157,842.00

C. Equalized Valuation:

	Tilton	Northfield
1980 Equalized Valuation*	\$62,345,729.00	\$49,060,616.00
Percentage	55.96%	44.04%
Cost Apportionment	\$186,347.00	\$146,653.00

D. Other methods for allocating costs include total road mileage comparisons, total calls for services and a combination of all or some of the methods previously mentioned.

IV. Advantages and Disadvantages:

The following arguments can be made for or against combining the town's police departments:

Advantages: Increased services to both towns via Twenty-Four (24) hour coverage. Possibility of more efficiently operated police department due to elimination of administrative duplication; no need for two chiefs, two communications systems, need for one less cruiser, and only one training program. More professionally operated police department with respect to investigation because of a shift in personnel. Establishment of joint police commission would possibly result in more control and accountability of police department to towns.

Disadvantages: The need to decide whether one or both of the present police chiefs would have to be terminated and the possibility of a new chief who is unfamiliar with the communities. Diminuation of control over the police chief and operation of the department by each town. Town of Northfield would pay \$54,000.00 more in taxes if cost of operating joint department based on a 50/50 split. The need to relocate the department headquarters

* Figures from Winnisquam Regional School District of district assessment, 1982-83.

Tilton — Northfield Police Study, Continued

in a new facility to handle increase space requirements. The need to establish an administrative structure to oversee the operation of a joint department (e.g. police commission). Loss of personalized relationship of police department to the citizens due to increase in size of department and the corresponding loss of personal accountability. Continued need to operate in two county court systems. Loss of control by selectmen of each town given the establishment of a police commission.

V. Conclusion:

It was the responsibility of the Study Committee to look into whether or not a joint Tilton/Northfield police department is possible. It is the Study Committee's conclusion that it is feasible to combine the police departments of Tilton and Northfield into one unit. There are no legal reasons why a joint police department could not be formed. This could not be done without a substantial effort on the part of the towns to overcome the problems which have been discussed in this report or may be unforeseen at this time. The support and consent of the voters of both towns would be a necessary prerequisite.

TOWN OF TILTON POLICE DEPARTMENT
Report of the Chief of Police

As you may recall, last year I indicated that we had what I considered an alarming increase in house and business break-ins. In 1981 we had 37 break-ins up 8 from the year before. As a result we concentrated more emphasis on rural residential patrol and it seems to have paid off as we have had a reduction in break-ins from 37 in 1981 to 26 in 1982. Another area that we had a serious increase in was Vandalisms, 93 in 1981. By the same method as used in the break-in problem we were able to kill two birds with one stone. It's clear that this patrol emphasis also had a positive affect on Vandalisms which were down to 66 this year. We Try!

One area of concern has arisen from the 1982 statistics, our drug offenses have doubled, probably resulting from the Florida drug trade moving to the state of Maine. In order to reduce this problem, I must rely almost entirely on the Citizen population to assist us. I still don't believe that the Citizen of today finds drug abuse socially acceptable and I anxiously await your efforts to prove me right, call us, tell us, and stand up for what you believe is right. You are the ones who serve as our eyes and ears, we need your help on this one.

As has been usual, we received excellent support from you and we hope we are able to show our appreciation by continuing to give you a Police Service as professional as you expect and deserve.

In closing I think it appropriate to pay tribute to Selectman Donald B. Joscelyn whose passing shocked us all. Don and I didn't always agree philosophically but I had a great admiration for his dedication and courage to stand up and be counted. We all will miss him a great deal.

Respectfully,
George S. Prescott
Chief of Police

SPECIAL TOWN MEETING, SEPTEMBER 22, 1982
Held at Tilton Town Hall

At a legal meeting of the inhabitants of the Town of Tilton, the meeting was called to order at 7:05 p.m. by the Moderator, Mr. Michael Baker.

Mr. Baker proceeded to read the decree from the Superior Court which gave authorization to hold special town meeting (copy of decree attached). The warrant was then read.

Motion made by Lester Rutherford, seconded by Donald Joscelyn that the Town authorize the Selectmen to borrow the sum of ninety thousand dollars to pay for the construction of a new Town Highway Garage to be located on Town owned land, and authorize the Selectmen to issue long term notes or bonds to fund the project.

Motion to amend article so that a ballot vote be taken was made by Maurice Bowler, seconded by Arthur Abbott. Vote on amendment was passed unanimously.

Balloting commenced. Motion made by Arthur Abbott that the polls be closed, seconded by William Lawrence, Sr. No discussion. Polls declared closed, after unanimous vote to so do.

Mr. Baker then announced results of the balloting. Total number voting was 29. Vote was unanimous on article as amended with 29 yes votes, no contrary votes.

Article #2 to transact any other business, no discussion. Motion made by Lester Rutherford, seconded by Donald Joscelyn that meeting be adjourned. Meeting adjourned at 7:20 p.m.

A true copy, attest:

Town Clerk

REPORT OF THE ROAD AGENT

After the budget busting winter of 1982, most projects proceeded fairly smoothly. The big project of course was the construction of the new Highway Dept. Garage.

The topsoil was stripped and approximately 3,500 yards of fill were hauled from the Town Pit by the Town Crew and the Town of Northfield's loader for the building site, salt pad and roadway.

The prime contractor was Roland Huckins with subcontracts to Jordan's Electric, B & L Concrete, Richard Keroack Plummers, Buildings Insulation Co. and Virgil Johnson Dry Walls.

The over head doors were sold and installed by Stockbridge Door Co. of Holderness, NH.

The well was drilled by Daniels Artesian Wells and the pump installed by the Town Crew.

The plan for the septic tank and leach field was donated by Jim Dodge and installed by the Town Crew.

A special thanks to the Building Committee; Jim Dodge, Clem Hamilton, Don Joscelyn and Wayne Manning who spent many hours in research and planning for the garage.

Hardy's Greenhouse put in several nice plants along the front of the building.

The garage has worked out very well and is a pleasure to work from. The townspeople can be proud of this building and of course are welcome to stop in and visit anytime.

Projects completed include: improved drainage; shim and seal Circle Drive and Mt. View Drive; seal Jacob Road; replacement of the Route 3 cemetery fence (near Crawford's); working with R.D. Edmunds to replace the School Street sidewalk from Pleasant Street to High Street. The cost was shared with Tilton School with the School paying the extra for the change in the parking area.

The new 1 ton truck was received and has proven to be quite an asset both in convenience and versatility. The bid was awarded to Patsy's of Concord, NH.

The 2-way radios were purchased from Motorola and installed by the Town Crew. Final adjustments were done by Win-Com of Gilford, NH.

Several trees were removed and the wood used as a supplemental heat at the new garage.

We have done an inventory of the Town streets and are implementing a program to resurface all streets on a regular cycle.

Other planned projects include: reconstruction of West Street after the sewer on Chestnut Street has been installed; improve drainage at the intersection of Chestnut, Pleasant and Main Streets; replace the cemetery fence on Grange Road; repair the railings on West Main Street, High Street, Pine Street, School Street and East Main Street; reset the curbing and pave the sidewalk on the south side of Main Street after the individual store connections to the new sewer have been made. Plans for trees on Main Street are being considered.

1982 ANNUAL REPORT, YOUTH ASSISTANCE PROGRAM, TOWN OF TILTON

In January of 1982, the Youth Assistance Program officially became a private, non-profit, tax-exempt corporation. YAP is now eligible for various grants. Former director Peter Michaud actively pursued funding in New Hampshire through the New Hampshire Charitable Fund, United Way, and various New Hampshire foundations. All these avenues were dead-ended, and now we're investigating possibilities on the national level by obtaining various resource materials.

We had several personnel changes during the year. Peter Michaud resigned in September to return to probation work and is now with Laconia District Court. Assistant Director Jeanne Karazin resigned in November to return to her home in New York. The present director began on September 13th, and Jean Moreau has been very capably and enthusiastically serving as Administrative Assistant/Program Coordinator since December 6th. With a staff of two local residents, YAP looks forward to a measure of staff and program permanence. Three board members resigned during 1982: Janice Baker and Jackie Lavigne of Tilton and Barbara Prokosh of Sanbornton. We thank all three for their dedicated service. We welcomed two new members, Cindy Kurahara of Tilton and Fred Dunlop of Sanbornton.

Since YAP began in 1975 we have served 586 Tilton youths, 43.2% of the total of 1,351 youths. Northfield accounts for 496, 36.6%, and Sanbornton 244, or 17.9%. We have served 31 or 2.3% from other communities, with either the community or the parents reimbursing us for the service. The percentage served from each town has been remarkably consistent with the 40-40-20% funding.

During 1982 we had 38 referrals from Tilton, accounting for 31.7% of the total of 122. Northfield provided 64, or 52.5%, and Sanbornton, 15, or 11.7%. Other communities provided five or 4.1%. In addition, 52 youths attended functions not involving referrals, for a total of 174 youths served by the program. The staff spent 453 hours in direct service to youths, counseling and consulting, in 1982, and made 468 contracts with parents, other agencies, etc., on behalf of youths.

The Juvenile Review board heard six cases each from Tilton and Sanborn-ton, or 20.7% each. Northfield accounted for 16, or 55.2% of the total, 29 cases. The JRB also heard one case from Franklin. Evidence that this program is working well is found in the fact that there have been fewer cases each year since 1979. In that year, there were 92; in 1980, 68; 40 in 1981;

and in 1982, 29 court diversion cases. We feel that our other programs and activities also contribute to the well-being of those who participate, thereby helping to reduce the JRB case frequency.

At this point I want to thank the members of the JRB from Tilton for their dedication in volunteering to meet with and draw up consequences for those youths referred to us for court diversion. The spirit of meeting with the youths and their parents and of coming up with meaningful, rather than merely punitive, consequences, is one of care, concern, and compassion. Members from Tilton are: Janice Baker, Marianne Clark, Pat Clark, Betty Davis, Cindy Kurahara, Mark Kurahara, Bill Lawrence Jr., Judy Mills, Florence Richmond, Gayle Twombly, and Mary Whitehead. Members from Northfield and Sanbornton include: Judy Burlingame, Nancy Chandler, Peg Dymont, Tom Fulweiler, Louis Nielsen, Bette Paquet, Lynne Piper, Phil Smith, Vin Smith, Neal Stone, and Steve Tessler. We also have a member from Franklin, Gloria Guarrancino.

During 1982 we had workshops on values clarification, alcoholism, job hunting, volunteering, and suicide prevention as well as demonstrations of karate and taxidermy, and various films and discussions. We have three adult-youth matches in our People Program, a big-brother/big-sister type program—a big thanks to Judy Davidson and Don Zimmer, volunteers—and we have begun working with the Twin Rivers Family Support Services Team to develop a crisis home program for youths. In the works for 1983 is an organization of youths which would have regular meetings and create its own programs with guidance from the staff, who would work as resource people.

YAP works very closely with other social service agencies, schools, the Tilton-Northfield Recreation Council, and others to provide our youth with the best service we can and to avoid overlapping of activities and services. We very much appreciate the help and support of townspeople, other agencies, and especially all who have volunteered—thanks very, very much!

HALL MEMORIAL LIBRARY
Public Library for Tilton and Northfield
1982 Annual Report

The public library served Northfield and Tilton during the year of 1982 with five trustees (see budget break-down), Librarian Doris Ullrick, Asst. Librarian Rachel Entwistle and Library Aide Sandi Emerson. However, we were sorry to lose Aide Sandi Emerson in June, when she departed for a full-time position after six years of valuable service at the library. Barbara Converse of Tilton then joined the staff to give welcomed assistance in our continuing work of acquiring, processing, repairing, storing and circulating library books and non-print material. Story Hours continued weekly, first on Thursdays, later on Tuesdays, with stories, songs and games led by the librarian. Free Films for children were also shown weekly at 3:30. Films for older children and adults were also shown monthly, but this program was halted in June until further demand. Library films shown to the Senior Citizens group in February and November were Trap Day, a color film on lobstering on Monhegan, Maine; and Restoring Williamsburg, both excellent documentaries provided by the State Library. The Annual Book Sale was held June 23-26 from a Main St. store, and Camille Tolme of the Friends of the Library presented a check for \$345 from sale of books which has been used to buy new library books. The Summer Reading Program began in late June, with the help of a space shuttle made by Sheila Haraldson's fourth-graders of Union Sanborn School. The theme was "Blast off to the stars — with a book!" Twenty-five children participated, adding stars to the mid-night sky as they reported on books read. Winning readers were Rhonda Towne, Leslie Natoli, Kim Snow and Jason Shaw.

In August the library was closed for eight days while the interior was completely painted. The results are beautiful, showing off the architecture and woodwork of this historic building. During November, the librarian taught special library skills classes to the fourth graders at Union Sanborn School, stressing encyclopedia usage, the Dewey Decimal System, Card Catalog and library vocabulary. In December a beautiful Scotch Pine Christmas tree was donated by Ruth Gorrell and a lovely wreath was given by the T-N Garden Club. Both gifts were much appreciated by the library's visitors.

TILTON-NORTHFIELD RECREATION

On behalf of the members of the Tilton-Northfield Recreation Council, I would like to thank everyone who has participated, assisted or helped in any way to make this year the success it has been.

Participation in our programs has been very good and we have seen new faces as well as our regular faithful participants. It has always been the intention of this council to supply programs which can be enjoyed by everyone; with a stress on family participation.

During the year we lost one member of our council, Karen Range. Our best wishes go with Karen and her family. Her secretarial services will be greatly missed as well as she.

As I come to the end of my report, I personally would like to thank one and all who have worked with me on the council and on special projects we have done together for recreation. I have met young and old people from both towns whom I hope I will have the pleasure to work with many times more.

We still have our meetings every third Thursday of the month, and our meetings are open to all. Any ideas or suggestions for programs may be given to our recreation director or a council member.

Our present council members are: Sandra Cyr, Charles Dwinal, Valerie Allen, Robert Cyr, Roger Abbott, Richard Smart, Chuck Wyman, George Easter, Mary Whitehead, David Smith, Paul Diminico and Richard Batchelder.

Respectfully submitted,
Sandra Cyr, Chairman

TILTON-NORTHFIELD DISTRICT NURSE ASSOCIATION

The residents of Tilton-Northfield are indeed fortunate to have the continuing support of the District Nurse Association to assist in home health care. One but needs to follow the trends in this community service to be aware of the fact that it will become one of the strongest community services that we have.

Escalating hospital and nursing home costs prohibit some of our residents from receiving that type of care. When home health care is needed by any of our residents, we stand ready to provide it. A capable District Nurse and a dedicated Board of Directors team up to make this service possible.

Members of the Board of Directors for 1982

Mrs. David Schofield, President	Mrs. F. Harold Shephard
Mrs. Jon Emerson, Vice President	Mrs. Gaylon Finemore

Beginning in February, Mrs. Smart and I held nine blood pressure clinics in Tilton at the Belle Peabody Apartments recreation room on the fourth Tuesday of the month, excluding July and August. Beginning in March, Mrs. Smart and I held blood pressure clinics in Northfield at the Northfield Village Apartments recreation room, the second Tuesday of each month, also excluding July and August. A total of 236 blood pressures were taken. The public has been invited to attend these clinics.

Twelve well-child clinics were held in cooperation with the VNA of Franklin for the benefit of children of Tilton-Northfield, as well as six Immunization Clinics. Assisting at the clinics were members of the Board of the Tilton-Northfield District Nurse Association.

Homemaker/Home Health Aide services were continued this year in Tilton and Northfield.

This Christmas, gifts and baskets of food were delivered to many families with the help of the American Legion, the Methodist Church, the VFW, the Masons, the schools, the Tilton Selectmen, and anonymous donors. Residents of nursing homes, from Tilton-Northfield, were given gifts brought to them by members of the District Nurse Board.

I wish to extend my heartfelt thanks and appreciation to all organizations and individuals, including the Board of Directors of the Association, who have assisted me in carrying on the work of the Tilton-Northfield District Nurse.

Respectfully submitted,
Deanna Stillings, R.N.

TILTON – NORTHFIELD FIRE DISTRICT
Report of Audit

I have examined the Treasurer's journal, schedule of detailed expenses, annual financial report; also the check register, cancelled checks, bank statements, savings accounts, invoices, payroll records and other pertinent records. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such auditing procedures as I considered necessary in the circumstances.

In my opinion the accounting records and statements present the financial operations of the Tilton-Northfield Fire District for the calendar year 1982 in a true and accurate manner.

The Winnisquam Fire Department responded to a total of one hundred and eighty-seven calls in 1982. This shows a decrease in fire related calls but an increase in medical services requested. We had fewer calls for chimney fires and woodstove problems this year.

We have thirty-five regular and probationary members enrolled in our department. Training sessions and drills are held periodically and fire schools are attended regularly by members.

Regular business meetings are held the first Thursday of each month, at 8 PM. Officers meetings and special meetings are held as needed.

The Winnisquam Fire Department wishes to thank all those who helped and supported us with our various fund-raising events which were held throughout the year. The proceeds from these events were used to purchase new equipment which will enable us to serve our community better.

The annual Carole Davis Memorial Christmas Party was held for the children in the Winnisquam area. A special thank you to the Lochmere Women's Club for their support of this event.

Respectfully submitted,
Linda E. Brough, Clerk
